This monthly bulletin is distributed to neighbors of 4041 Roosevelt Ave NE currently under construction in the University District to inform the community about construction updates.

TEMPORARY CLOSURES/DETOURS

- The sidewalk along Roosevelt Ave NE will remain open but closed periodically for construction activities. There is NO pedestrian access along the south edge of the project on NE 40th Ave and 9th Ave N.

WHAT'S HAPPENING THIS MONTH

- By end of November, concrete will be complete up through Level 1 and Level 2 will begin taking shape, concrete and rebar installation will be ongoing until middle April 2016.
- **NON-WORKING DAYS - The job site will be closed in observance of Thanksgiving, November 26, 27, 28, 29, no work will be completed.**

WORK HOURS

- Weekdays 7:00 a.m. to 6:00 p.m.
- Saturdays 9:00 a.m. to 6:00 p.m. (No work Thanksgiving Weekend)

FOR YOUR SAFETY

- Construction fencing surrounding the project is for safety and security. Please do not enter the project site at any time for any reason.
- Storage containers have been placed on Roosevelt Ave NE sidewalk, these are safe to walk into and will have lighting in the containers 24/7.
- Please be mindful of equipment and truck traffic in surrounding areas until project completion.
- Please be cognizant of truck back up alarms, wide turns, and do not cross between trucks and trailers.
